Why Exhibit at Purpose Expo?

Place your organisation at the heart of India's Purpose Economy

01

The Right People Are in the Room

Step into a room where 230+ decision-makers and impact leaders — the CSR heads, foundation directors and social investment leads who shape where India's purpose capital flows.

02

One Exhibition. Four Conversations.

Purpose Expo runs at the heart of OPIF, alongside four flagship forums — CSR & ESG, Water & Rivers, Philanthropy, and the Doing Good for Bharat Awards. The people engaging across all four forums walk through the same exhibition floor.

03

Twelve Years of Earned Credibility

3,000+ CSR heads have attended across 12 editions. This is a platform the sector has trusted long enough for it to become part of how organisations plan their year — and exhibiting here carries the weight of that history.

04

Presence That Begins Well Before October

CSRBOX's promotion cycle for exhibitors starts months before the event — across the most engaged purpose-sector digital audience in India. By the time delegates walk in, they already know who is on the floor.

05

Bring Your Solutions to Life

Move beyond brochures—demonstrate your programs, technology, and models in a way that creates real understanding and interest.

06

Exhibitors Return Because It Works

Over 50% of exhibitors return year after year — not out of habit, but because the partnerships, pilots and conversations that start here actually go somewhere.
