SPEAKERS FROM LAST YEARS

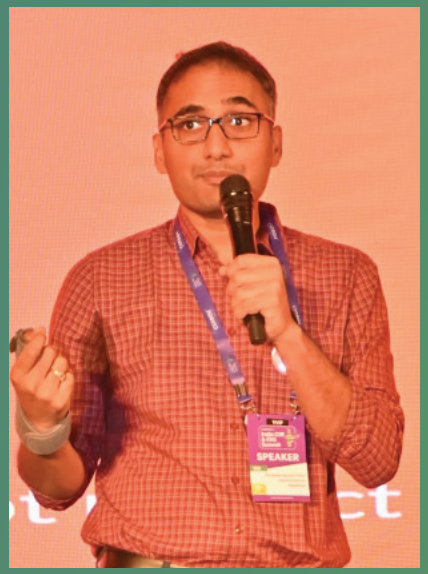

ABOUT ONE PURPOS INDIA FORUM

One Purpos India Forum 2026

Built on the legacy of 12 previous editions of India CSR & ESG Summit (ICES), OPIF expands the conversation beyond CSR and ESG into a larger ecosystem that integrates sustainability, philanthropy, public policy, innovation, technology, and implementation.

Anchored by CSRBOX Group, OPIF brings together stakeholders across government, corporates, foundations, academia, civil society, innovators, and development institutions to enable collaboration at scale.

One Forum. Five Integrated Trusted Platforms

- Purpose Expo
- India Water and Rivers Forum
- India CSR and ESG Summit
- Doing Good for Bharat Awards
- India Philanthrophy Forum

The Forum is designed to

- Enable multi-stakeholder convergence
- Connect policy with implementation
- Showcase scalable solutions
- Build strategic partnerships
- Drive long-term impact conversations
- Shape the future of India's Purpose Economy

IMPACT OVER THE YEARS

Proud to host in Last 12 Editions:

10800 Unique Organizations

35300 Unique Impact Professionals

2300+ Unique CSR and Philanthropic Funders

217 Senior IAS Officers

80+ Policy Makers from State and Central Governments

INDIA WATER AND RIVERS FORUM

The India Water & Rivers Forum 2026 (2.0), taking place on 26 October at Pullman, New Delhi, is a catalytic leadership platform bringing together policy, business and basin practitioners to accelerate collective action for a water-secure, resilient and inclusive India. The Forum will feature participation from the Union Minister of State for Jal Shakti, Head of the UN Global Compact CEO Water Mandate. Join the conversation and help shape pathways to action.

KEY THEME

Building a Water-Secure and Resilient India Through Collective Action

- Water Security & River Resilience
- Policy, Governance & Institutional Collaboration
- Leadership for Sustainable Water Management
- Collective Action & Water Stewardship
- Cross-Sector Partnerships & Innovation
- Basin-Level Water Management
- Water-Resilient Agriculture
- Corporate Engagement & Sustainable Financing

INDIA PHILANTHROPY FORUM

India's Largest Forum for Philanthropy and Purpose-Led Giving

India Philanthropy Forum is designed to strengthen the future of giving in India through collaboration, innovation, and systems thinking.

The platform brings together philanthropists, foundations, institutions, family offices, and development leaders to explore new models of strategic and catalytic philanthropy.

KEY THEME

1 Strategic Giving

2 Collaborative Philanthropy

3 Catalytic Capital

4 Family Philanthropy

5 Systems Change Approaches

6 Institutional Giving

The forum aims to align philanthropic capital with scalable and sustainable development outcomes.

DOING GOOD FOR BHARAT AWARDS

Recognising Scalable and Meaningful Impact

Doing Good for Bharat Awards celebrates organisations, institutions, and leaders creating transformative social and environmental impact across India.

The awards recognise initiatives that demonstrate:

Innovation	Inclusion
Sustainability	Scalability
Community Impact	Systems Change
Innovation	Inclusion
Measurable Outcomes	

Categories:

- Doing Good for Planet
- Doing Good through Business: Social Responsibility
- Doing Good through Innovation
- Doing Good through Grassroots Actions (NPOs)
- Doing Good through Governance and Public Services

PURPOSE TECH FOR BHARAT

Innovating Impact with Technology

OPIF 2026 brings together corporate leaders, foundations, government, NGOs, investors and technology innovators.This year, the forum also features Purpose Tech for Bharat, a CSRBOX initiative that recognises technology-enabled solutions already delivering measurable outcomes on the ground. The focus is on solutions that have moved beyond the prototype stage and show real use, whether that is improved access to healthcare, greater independence for older adults and Persons with Disabilities, or stronger water and agricultural resilience.

Our aims

Promote innovation and technology for social impact

Enable the integration of new solutions and technologies in social development

Bridge the gap between the startup community and the CSR ecosystem

Three focused categories

Health & Well-being

Early detection, diagnostics, telemedicine, mental well-being, maternal and child health

Geriatric Care & Assistive Technology

Solutions for older adults and Persons with Disabilities, including mobility, rehabilitation and independent living

Water & Agricultural Resilience

Water management, smart irrigation, precision farming and climate-resilient agriculture

What winning organisations receive

- Spotlight presentation at OPIF for each category winner
- Exhibition and display space at OPIF for the top 6 contestants
- Direct access to One Purpos India Forum
- Business opportunities with CSRBOX
- Equity funding discussions
- Recognition and certification
- Social media and promotional support

PURPOSE PHOTO GALLERY

See impact through the stories behind the photographs.

The Purpose Gallery presents a curated selection of photographs showcasing projects implemented during FY 2025–26.

Each entry was reviewed by a jury of professionals based on:

Relevance:
Connection to the project and its impact

Storytelling:
The photograph's ability to communicate a clear, meaningful story

Authenticity:
A genuine representation of the people, communities and work

Visual quality:
Composition, clarity and overall presentation

Completeness:
Submission of the project name, synopsis and photo credits

The selected photographs will be featured in the Purpose Gallery at One Purpos India Forum 2026.

MUSICAL EVENING

An Evening of Music, Movement and Meaning

As the conversations of the day make way for reflection and connection, One Purpos India Forum 2026 invites delegates to an immersive cultural evening that celebrates the spirit, diversity and collective purpose of Bharat.

Colours of Bharat, Dance Performance

Witness the vibrancy of India through a captivating dance performance, Colours of Bharat. Rooted in the country's rich cultural expressions, the performance will celebrate its many traditions, emotions and stories through movement, music and visual energy.

An evening to pause, connect and celebrate the collective journey towards a more purposeful Bharat.

Manzil Mystics, Live Music Performance

Experience the soulful sounds of Manzil Mystics, known for their powerful blend of Sufi, folk and contemporary music. Their performance brings together voices, rhythms and poetry that inspire hope, unity and a shared sense of purpose.

FOUNDERS' DINNER

Building the Future of India's Purpose Economy

For 12 years, the India CSR & ESG Summit has grown alongside India's impact ecosystem, evolving from conversations around compliance to collaboration, innovation, and systems change.

The 13th edition marks a new chapter as the One Purpos India Forum, Asia's largest forum for the purpose economy. Bringing together leaders across CSR, ESG, sustainability, philanthropy, public policy, innovation, and grassroots action, the Forum will create space for meaningful conversations, strategic partnerships, and scalable solutions.

This journey has always belonged to the ecosystem. Together, we now move towards one purposeful direction for India's next decade of impact."
