A Convergence Platform for India's Purpose Economy

India is entering a defining phase of transformation. The convergence of CSR, philanthropy, ESG, climate action, and technology-led social innovation is shaping a new paradigm — the Purpose Economy.

Built on 12 editions of the India CSR & ESG Summit and 35,000+ purpose sector professionals, OPIF is India's national convergence platform where capital, innovation, and institutions align to accelerate development, sustainability, and inclusive growth.
