Class Saathi Solution

Class Saathi is the world's first clicker solution designed specifically for primary and secondary schools.

Besides the clickers for each student, there is a dedicated software (for PC, for mobile) with lots of features.

Quick Attendance, Easy Quizzing/ Polling/ Voting, Random Student Selector are some of the main features of Class Saathi.

Give each student a voice

Help teachers do quick assessment
and assist slow learners

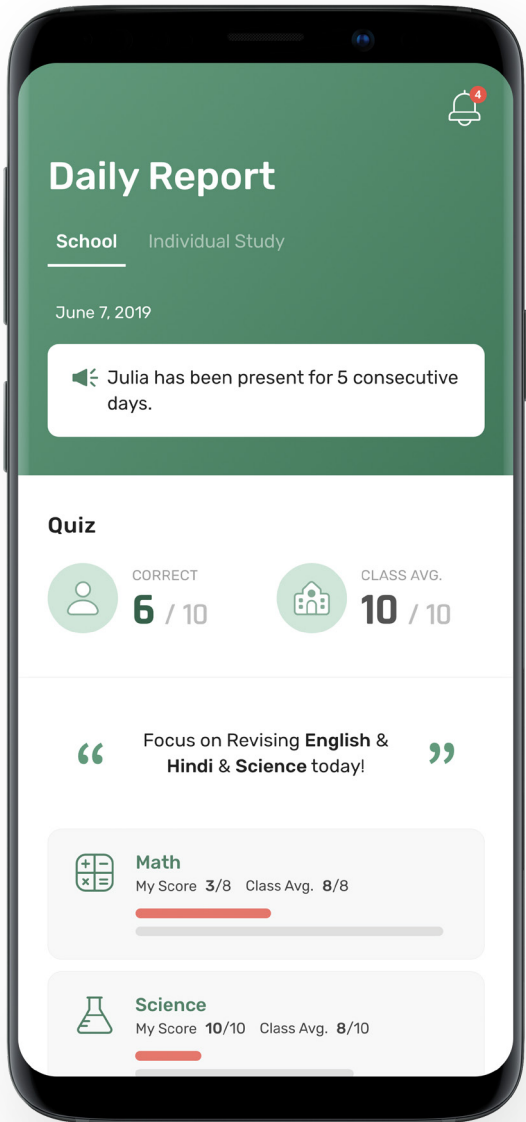

Help parents play active role
in kids' learning journey
